Megan Reigns

I love the way simple black lingerie accentuates Megan's sexiness and stunning curves. Her bra and panties pull away to reveal firm boobs and a tight pussy that looks scrumptious enough to eat every night. I pretend that I watch her hands wander over her petite body as this horny lass

BUSTED CHERRY

I watched the hottie in the short skirt and tank top climb into the restored '65 Mustang, then I followed her. Human nature being what it is, I knew she couldn't resist the urge to give it a good run down the Interstate. Sure enough, she hit 70 as soon as she cleared the ramp. I gave it a couple of minutes, not wanting to spoil all her fun, before I switched on the blue lights. She was nearly in tears as I walked up beside her car.

"Officer, I've never had a ticket. Please, couldn't you just let me off with a warning?"

I looked down into the car, checking out her bare thighs, then peeked down her top. Her pert little breasts were barely concealed beneath the pale blue fabric. "Well, maybe we could work something out," I suggested, my eyes meeting hers as I licked my lips.

She was eager to comply, climbing into the passenger side of my cruiser. I had just radioed in my location when her hand crept up my thigh. She tugged at my zipper, freeing my throbbing cock from my stiff uniform. She stroked the oversized tool, her thumb lightly caressing the rim and sending jolts of excitement to my bloated balls.

"Go ahead, suck it, baby," I instructed. She didn't have to be told twice. I took the next exit and drove down a secluded road as she lowered her lips to my aching cock. She sucked and slurped on my fiery flesh like she'd been starved for it. Her tongue poked into the oozing slit, then swirled over and around the head. "Oh yeah, baby, take it all," I croaked.

I groaned and bucked my hips as I twisted my fingers in her soft, dark hair. She gagged

and gasped for air when my cock poked deep into her throat. I loosened my hold on her so she could catch her breath. Then she went back down on me.

I slipped a hand under her blouse, searching out her tiny little titties. A muffled moan escaped from deep down inside her as I pinched and tweaked her stiff nips.

She swallowed more of my cock each time her head dived down in my lap, until her nose was buried in my curly bush. She was definitely no innocent. She knew exactly what she was doing. But that was okay with me. There's nothing worse than a half-assed blowjob.

I pushed up her skirt, letting my hand slide beneath her panties. I fingered her wet, slippery pussy as I came closer and closer to explosion. I didn't think I could hold back much longer when she swallowed, her powerful throat muscles contracting around my cock, squeezing and massaging.

I pushed her panties down so her perfect ass was exposed. I needed to ram my cock into her sweet little pussy. I let go of her hair and guided her into position so she was straddling me. Peeling her top off, I played with those tits, then pushed aside her cotton panties and helped her lower herself onto my cock. Her hot box was slippery but tight. It hugged my aching cock while I slithered deep inside her sexy young body.

"Come on, baby, ride it," I instructed.

She looked at me with those innocent blue eyes, then began to bounce up and down. Her pussy tightened around my cock again and again as she teased me closer and closer to explosion. I tweaked a nip with one hand while I slipped the other beneath her panties. I flicked my fingertip against her clit, then let my finger slide up and down her

wet crease. She moaned and gasped as she got hotter and hornier. Then I circled her clit,

gently but deliberately teasing her closer and closer to explosion. I wasn't surprised when she tossed her head back, moaning and groaning with excitement. Then her entire body convulsed, her hole contracting around my cock as she came.

But she didn't stop riding me. While she bounced up and down on my lap, I finally lost control. My cock jerked and twitched inside her, blasting my hot cream deep into her body. I held her close, clamping my lips over hers. She answered my kiss with a desperate hunger I hadn't expected. Her tongue dived into my mouth, teasing and tasting as it danced around mine.

I released my hold on her, and our eyes met. "So have you learned your lesson, young lady?" I demanded, trying to look serious.

She watched as I took a roll of paper towels from the backseat, wiped up, and stuffed my cock back inside my pants. "Fine. Tomorrow afternoon, report to me right here. Wear another short skirt and a tiny little top, nothing else. Got it?"

"Yes, sir," she assured me. She smiled again and peeled off her cotton panties, showing me that she understood exactly what I meant. She handed them to me as she positioned herself in the passenger seat of the cruiser, her thighs spread slightly, and fastened her seat belt. Her skirt was inched up nearly to her waist, so that I could see her pink pussylips peeking from beneath the denim fabric. My cock stiffened again, straining against my pants. I wasn't sure I could wait until tomorrow—not unless I took a very cold shower.

HARD FOR THE MONEY

I work hard for my money and any little extra is always a great help. I work at a very busy, trendy bar in the warehouse district of Baltimore. After a busy night at the place, the owner, Luke suggested we lock up early and

the remaining staff and a few friends could stay and party down since it was the holidays and pretty cold outside. We all started drinking, which we aren't allowed to do while on our shifts, and so we were all getting along quite well.

A couple that were friends with the owner were getting drunk quicker than the rest of us, since they didn't have to work and had a head start on the booze. They were sitting at a high table in the middle of the bar area, kissing and touching each other, and getting the rest of us turned on as we couldn't help but watch.

For the last few weeks, Luke, who was also the head bartender, had been giving me the eye, and apparently tonight he decided he wasn't going to wait any more. We were all chatting away and many started teasing and touching each other, getting more and more turned on. There was always sexual tension between the staffers and tonight it seemed ready to explode. Even I was getting a bit horny as the booze and eye candy were taking effect. I was getting moist and my clit was screaming to be rubbed. I really didn't care who did it, as long as someone did.

As soon as one of the other waitresses got up from the bar stool next to me, Luke came over and started small talking me. I must have said some things and the next thing I know his hand is between my legs, feeling the small

brings herself to the brink of cumming. But what I like best is her seeming authentic satisfaction at sucking cock and getting fucked. She's one whose spirit doesn't seem trapped within her body.

– Ed G., Miami

Dear Editor,

Hi there, I'm an adult performer who's trying to get into the business. I've always been told that I won't make my parents proud, so I decided to show them what I'm really made of. I confessed that I didn't just drive home

amount of cum that had started to drip out of me. He rotated the bar stool so I faced him and lifted up my short skirt, pushing his hand down my panties. His fingers were so welcome by this point and I didn't give a fuck if there were other people watching. One of the other waiters walked over to us, took my hand and placed it on his huge cock that was already sticking out of his pants. I held it in a vise-like grip and started pulling on it, getting bigger with every stroke. And as I leaned forward, down to his cock, I sensed his whole body shake. He knew he was going to get a bj, but up until now he never thought it would be from me!

Suddenly we heard loud screams and groans from the couple. She had climbed up on the tall table and was on her back, panty-less as her friend was eating her out. She stopped moaning and they switched places. He sat up on the table, pants off, legs spread wide resting on a couple tall chairs as she settled between them and started sucking on his dick. I watched for a minute, then her head disappeared lower, probably to suck on his balls, and then went back to my two guys. I grabbed the waiter's cock hard and pulled it to my mouth. I heard him moan; how long had he had this hard on? It was fucking rock hard, and he was loving my mouth around it, sucking it and stroking it hard with my hand. By now Luke wanted in on the action, so

without hesitation he pulled me up and sat me on his massive cock. With hot juices dripping from my pussy, I slid onto it nice and easy.

The guy I was blowing couldn't believe it, he was being sucked off while I was being fucked, and I was sucking at his cock so hard, he spurt all his stuff in my mouth, cum sliding down the side of my face. By now the couple were fucking like mad. She had been screaming with every orgasm, and he was shooting cum all over her face. I was bouncing up and down being fucked really hard, and came again and again. My pussy and clit were on fire, my body was shaking and I couldn't control it. My orgasms were huge, one after the other, bang, bang! Luke couldn't hold his cum any more and threw me off him and stood over me. I felt helpless that this guy was going to shoot one hell of a load all over me. His cum came out like a raging waterfall, covering me and hitting my face. I was licking my lips, getting a good taste of it, loving it, all sticky and thick.

I didn't stay working at the bar much after that, I had my fun with the boss but his flirting with me began to piss me off. I slipped my number in his back pocket and told him to call if he was ever lonely, and walked away. He did call me, but my husband answered the phone, so, I never heard from him again.

• *Samantha – Still Sucking Dick*

after work. I'd pull over and masturbate. Same goes for the shower. I just couldn't stop touching myself! But then I'd given them a really big surprise and taken it up a level by showing them how I much I like it and how it makes me feel good doing it. They finally came around

LACIE

It was Lacie's birthday and her boyfriend was going to hook her up with some hot birthday sex, but then she saw he brought a video camera and got shy. He eased her into it and she agreed to some birthday fun. She turned around and revealed that round juicy ass. She sucked and then rode that cock as her pussy got rammed hard and finally got that man juice all over her birthday face.

I GET FUCKED HARDER FROM BEHIND

**The sun
was hot.
The scene
was hotter!**

SUNBURN

The incident was entirely unexpected. Hoping to banish my winter blues, I'd cashed in my frequent flyer miles for a ticket to L.A. and took my pasty New England complexion on an impromptu vacation. My first night there I saw a few friends, ate some Mexican, and drank a lot of Coronas. The beer left me with a fierce hang-over the next morning; so, unfit for much else, I headed for the beach.

There were only a few people out—old people taking their constitutions, Yuppies walking their designer dogs, and a few runners near the water. They were all clearly locals, beautifully bronzed and fit, and I was a little embarrassed to uncover myself. But I figured I'd never see any of these people again, so I stripped down to my bikini, revealing a soft tummy and my New York City pallor.

I spread my towel and made camp and, hastily smearing on some suntan lotion, promptly fell asleep.

Some time later—I have no idea

how long—I felt a jab in my shoulder, then another. Opening my eyes, I was nearly blinded by the sun. I cupped my hands around my face, and slowly she came into focus.

"You're burning," she said, and dropped down Indian-style onto the sand next to me.

"Excuse me?" Who was this person?

"You're burning. You've been out here too long, probably. And it looks like you haven't seen the sun in a while."

"Well, that's certainly true." I shook off sleep, sat up, and gave my companion the once-over. And over again, because once wasn't nearly enough.

She was luscious, all sun-streaked hair and breasts. Cut-offs and a white bikini top, the stuff of my adolescent fantasies, before I even fully understood what two girls could do together. I wanted her and wanted to be her, all at the same time.

She laid the back of her hand

against my belly and frowned. "You really did get a bad burn. I can feel the heat in your skin. You may start to blister."

It took me a minute to answer. "But it doesn't hurt. I don't feel anything." Not entirely true. My clit was starting to throb, and I felt the blood rise in my face. It was all I could do not to lean over and bite her neck.

She looked me directly in the face and said, very seriously, "Trust me. Unless you take care of this, you're going to be in major pain by tomorrow morning. And if it blisters, you may scar." And she smiled. "You can't be from around here. You're too grumpy."

"I'm from New York."

"That would do it. Don't they teach you about SPFs back east?"

"I think I read that in a personal ad once."

"Well, I can't let you fry. I live a couple of blocks from here. Come home with me and you can get some fresh aloe."

I decided the sun goddess was probably right, so I gathered up towel and bag and followed her, staying a couple of steps behind so I could see her ass, hoping she wouldn't notice. Her hips rolled in a very sexy way, and her breasts swung loose and free. She was slender but curvy, and even as I lusted after her, I decried the luck of some girls who can be svelte and voluptuous at the same time.

Her apartment really was close by, and we reached it within minutes. It was a tiny studio in a beach house, totally alien to me after years of living with people stacked at least 10 floors high. There were books everywhere, clunky textbooks and paperback novels, and an enormous pile of *In Style* magazines. I was relieved to see a particularly fat advanced economics text, definitely not a 101 course. I'd guessed that she was a college student but was glad to

know that she wasn't a freshman. My thoughts might have been dirty, but at least they weren't criminal. She was over 18.

I snapped out of my internal conversation and saw that she was bending over something in the corner, scissors in hand. When she swung around to face me again, I felt sharp regret for not coming out west for college. Did they all look like this?

She held out a hand full of green cuttings. Ah, the aloe.

"This stuff has magical properties. You'll be amazed at how good you feel when I'm done," she said, pulling a penknife from the top drawer of her nightstand. She flipped it open and with the tiny blade sliced open one of the pieces.

I decided to take her at her word. Tossing the knife aside, she stepped in close to me—too close, really—and began rubbing the cool wetness of the aloe directly into my shoulders and over my collarbone, moving very gingerly, barely touching the skin. As she

leaned in to reach the back of my neck, I could smell her hair and breathed in deeply the smell of the beach.

She moved around to my back, and I was startled as I felt her untie the straps of my bikini top. It dropped to the ground silently, and as she moved her hands across my back, I could feel her breath moving across the wetness of the aloe. The room suddenly seemed strangely silent, and I realized that I was holding my breath. She was so close that I could feel her breasts against my back, and her heat. I felt her hands move to the sides of my breasts, and I let out a gasp. She moved around to face me again, her hands never leaving my body.

Her hands cradled my breasts, the thumbs stroking the nipples. "You were on your back when I found you, so I think your front probably got the brunt of the sun. Does it make you uncomfortable when I touch you here?" she asked with a very serious face but an odd expression in her eyes.

I couldn't speak, so I just shook my head, and she smiled a tiny smile as she once again stroked the smooth gel into my skin with wide circles. Slowly, she stepped in closer and I delighted in the crush of her breasts against mine. Her head bent until we were standing cheek-to-cheek, and then her tongue was tickling my ear. Her palms moved down my sides, massaging the soft flesh, kneading it hard, and finally settled on my hips. I felt her fingers move to the small of my back and then slip under my bikini bottoms, grabbing tight hold of my ass.

Her fingers loosened and then found the groove of my ass, and I could feel them tickling the down. I pushed my hips into hers, wanting to get even closer, to have every inch of my skin be touching her. She permitted this for a moment, but as I reached out to unfasten her shorts she slapped my hand away.

She was in charge and

wanted to remain so. I was titillated and willing to go wherever she wanted me to.

Pushing me down gently onto the pale yellow sheets of the bed, she knelt in front of me. She traced around the wide circles of my nipples with her fingernails, very intent on what she was doing. They had been erect but grew almost painfully hard under her skillful pinches. Without another look upward, her mouth began seeking out the hot, salty crevice under my breast, and I felt first her tongue and then the nipping of her teeth.

Her mouth moved upward with kisses and soft bites and once again found my nipple. I felt her hot, wet mouth as she began to suckle me. I pulled at her mass of silky blonde hair, but she shrugged out of my grasp, once again leaving me swollen and unsatisfied.

She told me to lie back. Though frustrated, I did as I'd been told. She pulled off what was left of my bathing suit, asking again, "Do you mind if I touch you here?" I only mind if you don't touch me there, I thought but again just shook my head.

She laid her cheek against my belly, and I closed my eyes and felt the coolness of her skin against my burn. Her hair was tickling me. This was so good, too good to be believed. I could feel her head rising and falling with my breath. Then her head lifted, and there was wetness across my stomach. She spread my legs and asked, "Are you okay with this?"

But she didn't wait for an answer this time, just pushed my thighs farther apart, and again there was the wetness of the aloe, mixing with my own wetness. Her fingers were opening my pussy, and I spread my legs wider and opened my eyes so I could see the top of her blonde head. She looked up suddenly and grinned at me, knowing the effect she was having on me.

I had to laugh at her cockiness. Her fingers stroked the warm wetness of my pussy, and soon I felt them enter me. They moved inside me, stroking me, while her thumb massaged my clit. I began writhing on the bed, and she laughed and asked again, "Are you okay with this?"

I was okay with anything as she went on, and as her fingers moved, I wondered how I could have been concerned about her youth.

I felt my cream sliding out of me and was so close to coming when she suddenly pulled her fingers out of me, lifted them to my mouth, and ordered, "Taste yourself."

I'd barely parted my lips to obey when she pushed two fingers into my mouth, rolling them roughly over my tongue and the soft flesh of my cheek. She pulled them out and brought them to her own mouth, running them over her lips, teasing me until I knew I had to feel her tongue in my mouth and

moved forward to kiss her. But she pulled away again, withholding herself, teasing me, torturing me.

Her mouth covered my stomach with tiny butterfly kisses as her hands once again tickled the damp hair of my pussy. She continued to work me over with her hands, alternating soft brushes of the fingertips over my clit with hard strokes of her knuckles, massaging my entire pussy with the palm, talking, talking, using everything but her tongue. I was nearly gasping, grinding my hips into her hands, listening to her coy questions, breathing fast, and finally begging her to please, please make me come, making very undignified sounds, getting more frustrated every moment.

But she continued to control the pace and put me off, laying soft kisses on my inner thighs when what I needed was her tongue on my clit. She laughed as she blew soft breath over my pussy, telling me to cool

off, slow down—this could be so much better if I'd just wait a bit longer.

But I couldn't wait any longer; tears were rolling down my cheeks as I cried to her to finish me, I'd waited so long already. I got louder and louder, telling her I couldn't finish without her, we'd do it again later, I would do anything she wanted.

Perhaps that was what she had been waiting to hear, because she laughed again, and I again felt her long hair on my belly as her head moved downward. Her tongue had barely touched my engorged clit and I was gone, thrusting upward, relaxing into the contractions, my heart racing and then slowing. When I was done, she crawled up onto the bed next to me, smiling with genuine sweetness. I realized suddenly that we'd foregone some basic formalities. And as I opened my mouth for her first kiss I thought, I should ask her name. Next time I want to scream her name!
